

# Rest On My Heart

June 3, 2020

Dear Family, the Lord has a word of encouragement for us today, and although He is addressing me, I know that it also applies to each of you who have worked so hard praying and fasting.

He began, we have spoken much about prayer and work lately, Clare, you have done your very best in so many areas that needed your attention. Now I would like you to enter into My rest and not push yourself so hard. I am pleased with you and I need you to enjoy My company. Cling to Me, dance with Me, explore with Me. Take time for recreation with Me. But most of all rest in My presence, cling to Me with all your heart and you will find ample strength to complete all I set before you.

You have been seeing Me pulling you sweetly to rest your head above My Heart. There is a reason for that, yes, it is true, "Place your hands upon My Heart and My Love will guide you." Even so, "Place your head upon My Heart and My Love will fill you to overflowing for your brothers and sisters, for the sheep of Our pasture."

Your willingness to do My Will is a constant source of comfort for Me, even as the sheep of our pasture show their willingness to respond to you helpfully, when they sense the need. Those that drag their heels or seem distant are sick and need nourishment as well as counsel. It is good for you to pull them aside and minister to them.

I love the idea of you reading letters and answering them in a message. Many will be edified and get much from that effort. Pursue that please, but

My major message to you today is that you have applied yourself and worked very hard and now I want you to lean into Me and recuperate, even with playing music. Your thanksgiving song comforts the pain in My Heart when it aches for the praises and gratitude of My People. Learn this song and teach it for it is very comforting to Me.

This morning you read from the book, "In Sinu Jesu" and read about My Father's love for each of you. That book, by the way, is the journal of a priest at prayer. He's a Benedictine monk and priest and it's very beautiful, it's very intimate and it really addresses our need to see God the Father as he truly is. Not as a harsh God, but as a tender, loving Father. Going back a little, this morning you read from the book, "In Sinu Jesu" and read about My Father's love for each of you. Most have no idea what a father should be as Satan has succeeded in defiling marriage, causing divorces and painful separations that result in open doors for many sexual partners for lonely women, partners that have no sense of responsibility for her children. How sad this has become and how terrible is the abuse such children suffer even when certain men turn to abusing them. The state of fatherhood is twisted, twisted wreckage on the ground, and where children sought comfort, there is nothing but enmity.

This is why we must work so hard to convince people that My Father is Love. He is not harsh with the innocent and in fact is not even harsh with the guilty because they too were abused by their parents. He is most harsh with religious people that put social demands on those seeking Me, all in the name of religion. All I want taught is how to love Me and draw close to Me and live a pure and holy life because that will bring you the most joy.

All the norms of churches and society, if they take away from that goal of union with Me, they are fighting against Me and leading people astray. But there is a great awakening going on where intimacy is being taught and encouraged, the next step in the journey however is very difficult for many Christians to understand. And that is the central role of suffering. This is not being taught and therefore many are perplexed as to why they are not

healed.

My people, My Father is all about love and holiness. He allows many things in your lives to bring you to maturity. It is not always clear the great good a suffering produces in your lives. But I want you to trust that there is a reason to every suffering. There are times to heal and there are times to abstain from healing.

So much guilt, condemnation, and depression are caused because you do not understand, that in this world you will have trouble, but be of good cheer, I have overcome the world and I overcome it daily in your hearts. You will not know until heaven what the sufferings you endured patiently, did for other souls who were on the edge of despairing of life.

You will not see the fruit until Heaven, however you may rest assured that as many times as I talked about suffering in the Scriptures, and the value of it, you can rest assured that the benefits into your account are way beyond anything you can fathom. No greater love has a man than to lay down his life for his friends, and every time you suffer you are laying down a portion of your life, which I am picking up and releasing graces to needy souls with, just as if you had fasted on water for three days.

Embrace suffering as I embraced the cross, knowing that I turn your ashes into sanctifying graces for those who most need them. Now that I am explaining this to you, I would ask you to suffer manfully, willingly, without complaint, knowing that your suffering is hard work for the Kingdom of God on Earth. And your cooperation with this is meritorious both on earth and in Heaven. You will be shocked when you behold the spiritual victories of others that are a result of what you did and suffered on earth.

But I do not wish My Bride to be suffering all of the time, there are times for recreation, for love, for rest, for a deep refreshing in the souls of My weary ones. Expect Me to dance with you in dwelling prayer. Expect for

Me to take you to Heaven to explore the wonders I have created for your pleasure and joy. Do not resist Me when I extend My hand to you. I do this to invite you into the joys of your eternal home, and when I do it, it is precisely because you NEED it, so do not greet My invitations with fear and doubt, turning away My hand thinking it is just a lying spirit.

No. My Heart is to take you into My arms, to gently hold you close to the beating of My heart, to move in unison with you to a romantic holy song, to lead you into joyous places...jungles, palaces, lakes and rivers and all kinds of animals that greet My Bride with genuine love. O there are so many delights for you My Spouse! Please respond to My invitation when you are in dwelling prayer. There is no comfort on this earth like the comfort I offer you at these times. Let your heart soar with Me, allow Me to rejuvenate you and give you rest.

It is most pleasing to Me when a soul readily comes away with Me to that secret place, that hidden garden, I created in virginal purity just for you. And it is so disappointing when she suspects Me and turns Me away. Would a father give a snake to his son if he asked for a fish? Neither am I going to give you over to familiar spirits when I so long to comfort and restore you. Take My hand blessed ones, take My hand and come to Me, come to the eternal delights, or just rest your head upon My Heart and soak up the fathomless source of love I carry within My being just for you.

It doesn't matter that you've fallen, that you cannot sometimes live up to your own expectations of what I would ask of you, it doesn't matter if you have avoided Me, it doesn't matter if you've allowed yourself to be distracted away from prayer. None of this matter, I forgive you. Now I bid you, "Come, come to the fountain of life overflowing within Me to bring you endless comfort. Come.

# Fathers Arise!

June 4, 2020

Hi Family, this is Sister Elisabeth and Mother Clare asked me to share a message with you from the Lord. As I was sitting quietly with Jesus, He began speaking, My people I am using this time of confinement and limited distractions to turn your hearts and minds of those who have gone astray and those who do not know Me, back towards your living God and for the restoration of families.

So many of My children rely too heavily on themselves and their own abilities and too little on Me. You must know that on your own you can do nothing without Me. It is My intention to restore Christian families, to strengthen their Faith and to create unity in all nations in My Church. I will answer those of you who cry out to Me in an attitude of repentance and contrition and seek to restore what I began in your lives. You must hearken to My voice and bend your ears to listen to My words. It is not too late to return to Me, your first Love.

I will heal your hearts and those of your family and will mend past hurts and repair strained relationships. I am lifting up Fathers, who others have written off as "absentee Fathers", and will raise you up to be the spiritual leaders in your families. You will teach your children and grandchildren from holy scripture about My Father, a loving and merciful God, who takes great delight in you; and here Jesus reminded me of 2 Timothy 3:16 "*All Scripture is God-breathed and is useful for training, teaching, rebuking and correcting in righteousness*" and Proverbs 22:6 "*Start children off on the way they should go, and even when they are old they will not turn from it.*"

The Lord continued, as you seek me, the perception of your Heavenly Father will renew and transform your minds and reveal to you your ability

to achieve an intimate and very personal relationship with your God who is always available, always steadfast and forgiving. It does not matter what you have done or what you have not done, come to me with a repentant heart and I will heal, refresh, restore and enable you to become the heads of Christian households.

I say to you Fathers, rise up NOW and I will prepare the hearts of your loved ones to receive you into their lives. Take back what the enemy has stole from you and blot out the lies they are constantly feeding you!

I am using the internet through Skype, Zoom and other sites to unite family members who have been estranged from one another and this communication will ignite the hearts, attitudes and minds of many and who will pave the way for the restoration of family relationships and rekindle increasing love for one another and for your God and that was the end of His message.

I would like to share Mother Mary Elisha's vision about her Father she had yesterday while praying the Divine Mercy. Here is a little background information on her family. Her parents separated about 15 years ago due to differences. However, they remained great friends even now and have never legally divorced. Her family has received so many prophetic words and promises from servants of God that he would restore their family. That her Father would come back and praying her Mom's heart is open to receive her Father as a husband again because he was a wonderful Father and husband before everything happened.

Here is Mary Elisha's vision, I saw my entire family here on the Refuge, they came for a visit as I had them camp out at the top of the ridge before Blessed Mother's tree. I saw my Father awaken in the middle of the night by a bright light and it was a physical apparition of the Blessed Mother right before her tree. He dropped to his knees in awe and she looked so beautiful as she had a blue mantle and a red robe on with her arms extended. She began to speak to him, words he could only hear and understand as everyone else was still sleeping. She began to tell my Father, first of her

love for him and God's love for him as well. Then she admonished him gently of his unbelief and how he had strayed away. She made him understand that he was forgiven and he was to reconcile the marriage between him and my Mother. That the greatest gift that had been given my Father by the Lord was this family as we have 19 members in our family. As I saw a panoramic view of everyone sleeping so sweetly in the tents, all 18 of them, as he too turned back to look at the family he had missed out on. My Father has 7 children and 12 grandchildren which he has been distant from and emotionally unavailable. That they are giving him a second chance because he doesn't have much time left here on this earth, so he must redeem the time and instruct and lead the family spiritually. My Father was in tears, moved with such conviction and contrition before Blessed Mother and that was the end of her vision.

May the presence of the Lord be forever with you dear family.

# Persecution & Revival in Penasco

June 4, 2020

My precious Heart Dwellers, it is very special occasion when the Lord allows persecution. We become more like Him day by day if we love our enemies and pray for their good. We grow in patience and virtue, and even authentic love. It is a precious grace not to be wasted. Last week we were visited by the county because someone local complained about us. The Sheriff, the county and Forest Service people paid us a little visit. We knew from the Lord that it was coming and it surely was an opportunity to love our neighbors.

Lord please speak to my heart about this. Jesus began, with a scripture,

*18 "If the world hates you, keep in mind that it hated me first. 19 If you belonged to the world, it would love you as its own. As it is, you do not belong to the world, but I have chosen you out of the world. That is why the world hates you. 20 Remember what I told you: 'A servant is not greater than his master.'[b] If they persecuted me, they will persecute you also. If they obeyed my teaching, they will obey yours also. 21 They will treat you this way because of my name, for they do not know the one who sent me. But this is to fulfill what is written in their Law: 'They hated me without reason.'[c] And that's from the Logos translation.*

Jesus began, beloved it is true if they hate me they will hate you and this goes part and parcel with the calling. The more you resemble Me, the more you will be hated. But this is the most perfect climate for generosity, patience and love to triumph. At this time, when evil so abounds and finds fault, in these times, it is best to be meek, humble and quiet, yet fulfilling

the laws of the land where it applies. Throughout all of history such tactics have been used to suppress My people and keep them from growing. But the result defies the intention, because persecution increases conversions. So, the more you are persecuted, the greater the harvest. Always keep this in mind because it is easy to lose this perspective when you are in the thick of it.

Men do not often perceive what is driving their thoughts. The hidden world, the spiritual dimension drives at least 95% of all men's thoughts.

Wow, Lord that is a staggering.

It is indeed and that is why your awareness and prayers against spiritual forces are so important. Anything that steals your peace, you can be sure originates with the evil one. But where this poison arrow lands, so does My grace, directing you to forgive and have faith. Pray for those who persecute you and would do you harm, I use every bit of inconvenience they have caused you to save their souls.

Clare, beloved, do not be concerned for this situation, understand that I have already planned the way out of it, and souls will be blessed and brought nearer to Me through these events. Remember you are a light to the nations, a light on a hill, which cannot be hidden. What has been meant for your ruin will result in an increase of faith and holiness for those I have sent to you. Continually, balance the bad thoughts with prayer, yes even the short prayer to My Mother, because her heart stands ready to bring conversion to this place. You need only cooperate and graces will be lavished on souls that they may come to know Me in an intimate fatherly way.

So many around you have come from broken and abusive homes. They have had no where to turn and in their rejecting their fathers, they also reject Me without understanding that I am nothing like their family members. With all My Heart I long to heal those who are broken and downcast. Drugs, sex and crime have ravaged this community Clare, the wounds go deep. This is fertile ground for those who have sought Me but in

vain. The churches did not work, the family did not work, the school did not work, because they were seeking healing in the wrong places. But I will work. I will bind up the wounded, I will care for the widow and orphan, I will prove Myself through faithfulness to my ravaged people.

Lord, I really don't understand, are we here for the surrounding community?

You are here for all those who will listen, all those who are seeking, all those who have long since given up hope of being healed. I will move through this community in a way you cannot foresee. I will touch and heal in ways that are beyond the thoughts of man. I will shatter strongholds. I will do these things. You are right to say you are a nobody, and a nothing, and as long as you remain convinced of this truth, I will work through you. Oh how I love these people, oh how my heart has ached for them. So many ministers have come and gone from their midst because of the deep dark evil of generational Satanism, that has been firmly entrenched.

Well at this point as He was speaking to me because I have some history with this area I was really struggling with unbelief. So He said please Clare, do not doubt that these are My words. They are not only My words but My promises to you.

Forgive me Lord, but I know we are seriously outnumbered.

He continued, if only your eyes would open. I want you to study the great battles of the Bible where my people were hopelessly outnumbered. I want you to see that these evil ones are nothing to Me and you are vastly outnumbering them by the armies of Heaven assigned to you.

Whether you understand it or not, you were victorious over them before. He's talking about 15 years ago when we were called into town. Yes there were issues in your marriage that had to be healed, but they did not succeed in separating you. You left this place because I called you forth, not because of anything they did to you. There have been significant shifts of power in this area as well. I tell you, you are not outnumbered, you are not alone, you are merely very, very little, stay that way and we will triumph.

To the people of Penasco, I want to say, " I have heard your cries, I have seen your tears over the untimely deaths of your children. I have wept a river of tears over you My people. I have seen the abuse and violation of the little ones victimized by alcoholism, pedophilia and Satanic ritual abuse. I have heard the cries, and the screams and their blood cries out to the Heaven. I have not turned My back on you My People, but you have turned away from Me, using amusements, drugs and illicit sexual relationships to fill the deep void in your hearts. I want to cleanse you from your iniquities, I want to heal you from the scars, I want to show you the loved ones that at their very last breath on earth, were given mercy and brought into Heaven.

I long to reveal My great Mercy to you, but you must cry out to Me with all your heart, you must fast, pray and turn to Me and I will heal your land, sweeping away generations of evil doing and injustice. Now I received this message last Friday and I was really struggling with its content so I went into prayer over the weekend and was waiting on the Lord to finish this because I didn't feel it was complete, so this is the other part He gave me today.

Jesus began, "I am standing ready to bring about conversions, healings, new life, new hope, to these spiritually destitute souls. I love them with all My Heart Clare. I want them to know what a Father's love is truly like. For those who seemingly have been damaged beyond repair, My Heart aches and I want to heal the deep wounds of their childhood.

Your prayers prepare the way. The groundwork must be laid in prayer, then I can make the soil ready. Focus your prayers on the surrounding communities of Penasco, pray for their healing and conversion. I want to begin something here that is very special. This is truly the most unlikely place for revival and that is precisely why I want it to begin here. I am pleased with you for cooperating with Me and praying to have a heart for them. Please continue to do this and you will have a real breakthrough.

Each time you see or think of them pray, and let those prayers accumulate, until the fullness of time comes and I release revival. Right now your hearts

are far from them, but with little effort you can change that. I honor prayer and I honor obedience.

There are priceless souls in this area, of course every soul is priceless because you cannot put a value on My shed Blood. But what I mean is that some of these souls come from a very holy background that has been buried by generations of sin and witchcraft.

When the Lord said that for some reason an Italian girl by the name of Chiara, which is Italian for Clare comes to mind. She was a teenager that came down with serious cancer and the Lord wanted to take her to heaven through this cancer and she said, "If God wants it, I want it too." What a beautiful example of a sweet soul that discerned God's will properly and gave her life to the Lord. A prime time you know just before she was turning 20. What could be a more wonderful act of obedience than to say this with conviction of the heart. Yes Lord, if You want it, I want it too.

Jesus continued, "Your ministry is not just international, you've been called to bring comfort, healing and wisdom to those around you as well. Everything that you do on an individual scale, readies you for outreaches on a larger scale. By committing yourself to those who are hurting around you, you are preparing and making ready even a greater release of grace for the internet ministry.

The wounds these people suffer are common to all in the world. Satan has succeeded in corrupting the family by taking away the fathers, and putting in their stead men who are not dedicated to the family and children, but in many cases, further exploit them. You can imagine the plight of a child who is being injured and dare not tell their mother. They have no one to turn to. They are so afraid of losing their family that they live under a black cloud of oppression being continually violated.

I am calling upon all Heart Dwellers to pray for the people of Penasco. What I begin here will spread around the world and touch your community as well. Know that the opposition coming from those who work for the evil one, is strong, but nothing like My power, so expect opposition, be strong,

carry through with your prayers and definitely use the binding prayer. This is an assignment to you My people, My Heart Dwellers I need your very strong prayer support.

Start with the plight of the little children who are subjected to torture and violation of their bodies. Pray that what is evil will be exposed, come to the light and be stopped. Pray that mothers and fathers will turn to Me with prayer and even fasting, and that I will increase their faith, that their prayers make a difference. I am very serious about what I want to do here My Beloved Brides, very serious, so I ask you to take on this burden for the children and families of Penasco and surrounding area.

Drugs and alcohol are major forces here. Pray that they will turn to Me rather than to a false and fleeting comfort of drugs and alcohol. Break curses and strongholds, pray much in the Spirit and allow Me to pray through you. Pray for the conversion of those who worship Satan, praying that the blindness they have been struck with will be removed and they will see clearly that he cannot be trusted.

Pray for a sweetness to envelope those who pray, a sweetness that will lead them to Me. I am equipping you all with graces as you hear this. I love these people, and I need your prayers for them.

Do not stop praying for your President and the nation, that is still the highest priority. Everyday that passes, the scales tilt to the side of evil, until the prayers of the saints are heard and then the balance is restored. Truly it is a daily war to keep your world alive and each one of you tips the scales by your offerings and prayers.

Some day you will see how very sublime your life of prayer on earth was and how it changed the evil destiny the Devil had in store for it. You are My warriors of Peace and Love, never underestimate the power of your littlest prayer. I go before you, I stand behind you, I am at your side, above and below you. Nothing can harm you without My permission, so take in stride any opposition you are faced with, it is part of your character being built up and remember that I am with you.

# Hope For Weary Brides

June 8, 2020

Thank you for your prayers heart dwellers. I know many of you have been praying for us and it really has had a good effect. The Lord visited his weary servant today, He has picked up what I felt like...a sack of bones...and lifted me with new hope. You

see in the doings of getting this community established, I think I have aged 20 years. But now we have a solid core of people who are truly over qualified to manage all that must be accomplished here in the physical realm and they are good prayer warriors to boot. And with that I can take a deep breath, and let go. I have been doing that, really, but the fact is, I am very tired and have nothing left for music. It's almost like it never existed in my life. There's just no inspiration. Yet I know He has brought me to this point in order to release me for that very thing. You've probably noticed my voice sounds dry and hoarse...it is very dry at 8,500 feet.

Well I need to shut up and stop making excuses. Today He touched me and I am so very grateful. I had been given--a song on the keyboard one day, and then I went to record the flute with it, and Jesus took over and played that flute so beautifully, so far out of my skill range, that I was in the end, awe struck. Well during dwelling prayer today, He played that song. And I could see Him clearly in the Garden. The name of the song is "Heart Crying Out" it's about Jesus being in the garden, missing His Bride and crying out. I could see Him so clearly in the garden playing from His Heart, calling to me His weary Bride and then I saw myself coming to Him, dressed in a lovely ethereal wedding gown with a crown of pink roses on my head and when I approached Him He placed another crown on my head, which always means a big trial is coming. Not something you look forward to really there are always big trials.

Well I really didn't want to see that. Well, at that point He took my hand and walked me through this lovely garden, into a Gazebo where there were two benches facing each other. He sat down opposite me and leaned forward, His elbows on His knees and gazed deeply into my eyes.--- --

-- --

He said, "My Bride, My Beloved, don't give up on Me now, I am coming for you very soon.

Oh, Jesus I am so dry and so beset with temptations with food and I don't know where to turn, where to go--to get help, anymore. I see myself as hopeless. I have no desire for music, it is such a grind and everyone is so much better at it. I labor for what...a song that takes a month or a year to produce? I am tired Lord. I want to get up and keep going, but the song in my heart is gone. I am ashamed of how I have acted and how selfish I have been.

He replied, "Your voice is important to Me, is that not enough? Then in the next moment John Michael Talbot's song played, "Rejoice highly favored daughter, the Lord is with you, dressed as a bride among women, for you shall be the mother of Jesus. Holy Spirit, given to you, you shall conceive and bring forth the fruit of salvation." And when it was playing, I thought of the Blessed mother and I also thought of us in our habits that we are also Brides that bring forth fruit from the working of the Holy Spirit within us.

Jesus replied to my thoughts, "She will help you, please press into her intercession My Love."

Then the next song that played was "Swift Away" which was one of my songs about the Rapture.

Jesus said, "Yes, yes, swiftly I will take you away, very swiftly...you will not even catch your breath before you are sailing through the universe with Me."

Then He changed the subject again, "Your voice is important to Me. So important to Me. I created you for this."

But Lord the time is so short, what can I do?-- -- It takes me years to do a song.

He was silent. Then I heard, I am still here, listening to your thoughts, now who is the one who is evading and complicating? Someone had pulled a card about not to be evading and complicating things, making them hard and I chided them about it and now the Lord is chiding me. Then the song Immanuel, our God is with us and if God is for us who can stand against us, our God is with us Immanuel was playing in the background. And more lyrics, "for all who stumble in the darkness behold your light has come...if God is with us who can stand against us....-- -- Behold now the kingdom, behold now the kingdom, SEE WITH NEW EYES and that verse repeated again.

Jesus began again, "See with new eyes, things are not now as they were. Before I brought you down to Taos, you had your sheep and horses and lived a sweet life of prayer, knowing all the time that I was preparing you for something else.-- -- --

Have I not fulfilled the vision I gave you of souls praying in the woods?  
Have I not been faithful to you Clare?

Oh Lord! Forgive me, truly you have!!!-- -- -- --

"OK, then I have set the stage for you. I have brought you the finest people to help with this work and succeed after you. They are real, sincere, honest and want nothing more than what I want. And I want them here, faithful to this work. I have taken the burdens off your back Clare, now you are free to create music."

And sad to say, I have no inspiration, no desire. Please restore me. Please bring me back into music even much stronger than I was before?

Jesus continued, "This is why I want you to go to My Mother, she knows what you need, she knows what to do, cleave to her and depend on the graces I have entrusted to her to bring you into your calling. I am serious about this Beloved, she will help you, you need only ask. Yes, the Rosary is a good prayer, but you may also talk to her, she loves to hear the sound of your voice, in more ways than one. Here I want to qualify something for you it's through the instrumentality of the Holy Spirit that one soul is aware of the thoughts of another soul. It's the privilege of being a Christian and of having the Holy Spirit dwell within you and there is an exchange through the Spirit so when I call out to Our Lady and ask her to pray for me, the Holy Spirit living within her receives it, and how does she receive so many prayers simultaneously, so many requests for intercession simultaneously, through the Holy Spirit. Because in Heaven all of our abilities are stretched way beyond anything on earth we can understand. Therefore it is possible for her to hear me and hear thousands of others at the same time and through the grace of the Holy Spirit to be able to intercede for us even to the point of having the Lord do a miracle for us out of season just as He did at the wedding in Cana of Galilee. When His Mother came to Him and said, "Son they have run out of wine". He was not willing to expose Himself as the Messiah yet but He did the miracle out of season because she asked. That is the love between mother and son that she is privileged to have.

Jesus continued, Clare you are the MOST unlikely person to succeed in what I have given you to do, in this world, but I have news for you, I don't need your talent or skill, I need to be glorified through you, by your simple plodding perseverance. Choices, with your time, good choices. You know the order in which I want you to work,--prayer, messages, music, it's that simple.

My mind drifted off to the persecution and the enemies in the area.

Jesus replied, "Don't worry about them, I've taken care of them already, what I have planned will put an end to their persecution."

How can that be Lord? Don't you want us to be persecuted so we resemble You?

"I don't want you to worry about those things I've already taken care of. I want you to write and play and sing music. Period. Can you do this for Me?"

With the strength I don't have, but the graces Your mother has been entrusted with, I am sure I can do anything. I just need my heart back. I need a new heart Jesus. It has been a very long journey to this place and I am so spent.

He continued, "In the natural, it is beyond the realm of possibilities. But in the super natural, it is finished. You must get into the supernatural realm of everything is possible with God. You must be convinced that I can raise the dry bones, put flesh on them and a new heart within them. I want you to know that you are among the thousands of My servants who are extremely tired and spent.

All of you have been through battles with hell. All of you have taken heavy losses of heart and soul and inspiration. All of you. But I am here to tell you and anyone else who cares to listen, I am about to do a new thing in your lives. I am about to rejuvenate you in ways you never imagined. Not in the world's ways, but in My ways.

Lord, are you asking me to go to Your mother, but the evangelicals listening in, still have not accepted her role as you laid it out in the Scripture? They are totally blind to the reality of her assignments from You, even though they are clear in the Scriptures. Based on that, how can you prosper them if they refuse to enlist her intercession???

I have My ways little one. Don't you worry about those who are afraid to see, lest they lose their hard-earned standing in the Christian community. They can continue to cling to their laurels and protect their good names, but you, do only one thing, draw closer to her and let her intercession bring new life to you.

Lord forgive my unbelief.

It is a very ugly and hurtful thing for you to have when you know Me so well, but I forgive you.--- Do you understand? The Devil through clever twisting of solid truth has turned to people called by My name, against the FULL equipping I had in mind for them. He has turned them against the Eucharist though I said it 7 times, This is My Body, This is My Blood. And he has come with counterfeit familiar spirits imitating saints and My Holy Mother, and the intercession of the Great Cloud. In doing this he has deprived the people called by My Name, 50% of the power they could have had in this world to overcome themselves and the enemy. These present-day Christians are indeed strong in proclaiming and living My Word, but they are missing the Bridal Chamber and the instruction from the Mother of the Bride.---

But I am going to change this. You will see My Hand move and these lies will come crashing down in the lives of those who prefer the truth to the standing of their name and ministry in the community. But you, little one, keep your heart and mind for the praises sung to Me and continue to implore My mother both for this nation and Our music.

Please believe in Me Clare. Please, believe. We have come so far, look around you. Look at the miracle of the community I have called together around you and Ezekiel. You see, I have done My part, I have been faithful, now it is your turn.

And for those of you My weary ones who are struggling day by day, I say to you, do not give up.--- Consider what I have told Mother Clare, consider her weaknesses, consider that I have been faithful to her in bringing to pass a prayer community in the wilderness, which I promised her over 22 years ago.---

I am holding out to you an invitation. My Mother has been given many, many graces to distribute to My people, because she was so very faithful on earth, and offered up the dearest thing in her life for your sakes. She has been given many supernatural gifts that she uses with great wisdom and discretion. You have only to study the wedding at Cana to see her influence in Heaven. Go back to Mother Clare's teaching on her, there are seven of

them...go back and study the scriptures she was given to prove to you that My Mother is a force of goodness in your lives and in this world now. It is all because of the graces I have given her, the angels I have assigned to her, which she uses to carry out My will in the world. Do not continue in your obstinate unbelief, rather seek out the truth.

I love you; I am with you my weary ones, you have all come so far and done so much good, rise up then and get ready for the move of My Spirit on this earth. Rise up and walk in truth, not preferring the ignorance of men, who for generations have been taught error. You have only to approach My mother and ask of her proofs, that she is My appointed intercessor."

And that was the end of His message. On that note dear ones, that is exactly what I did when I realized that St. Francis led a truly conformed life to the Gospels that put our mainline prosperity Christianity to absolute shame. I was given a book, "The Imitation of Mary" by Catholic Book Publishing Company and here I want to say that the man who wrote this book was very close to our Lady spiritually and he was able to speak on her behalf. He knew her sentiments very well and was quite taken by her gentle demeanor and absolute focus on Jesus, and teaching us to live a life that would please Him in every way. So, I took a rosary prayer card and began to pray before a statue representing her in the church. I told her that I didn't know her role, but I wanted to know the truth about her.

The statue began to animate, she stepped out of it and was suspended above the floor and smiled sweetly. A warmth poured over my soul. Then she was gone! Disappeared! But in her stead was Jesus. And every time I sought her out to pray for me, the very same thing happened, she appeared to me in an apparition, then disappeared as Jesus came forth. Then I realized, she was given to us to help us get closer to Jesus. Who would know her son better than His mother? Her interest was in seeing me united to Him as His Bride. I had been in the women's intercessory prayer group for a very large, non-denominational church, for seven years. I had many visions, dreams and supernatural events, and having come from the New Age was extremely discerning when it came to such things. You will know them by their fruit.

And I had never been so close to Jesus in my life, of fasting and prayer as I was after accepting her into my life as an intercessor.

But this life was now opened up to me, and His mother led me into the deepest waters of love of God, that I had ever been in, and the bridal relationship was a dream come true. I was wed to Jesus in a very long spiritual experience and I have to say, my whole life was reborn into the Family of God, a true family, with a Father and a Mother. So please sweep away all those lies about worshiping Mary, she is only a creature like us, but one who is highly favored and called blessed by all generations, even as it is written in Luke 1:46-49.

*My soul magnifies the Lord,*

*47and my spirit rejoices in God my Savior,*

*48for he has looked on the humble estate of his servant.*

*For behold, from now on all generations will call me blessed;*

*49for he who is mighty has done great things for me,*

*and holy is his name.*

In closing, I just want to say that there is hope for the weary Brides. There are graces yet to be given that we don't even know about and if you haven't reached out to our Lady, I encourage you to do so, but in any case, the Lord will not let us down. He will give us the strength to pick up and keep going until that glorious day when He comes for us. God bless you Heart Dwellers.

# Come-Unity

June 8, 2020

The Lord bless you dear Heartdwellers, well I came to the Lord, kind of with a heavy heart because our Sunday didn't go as well as we hoped it would and I said, Lord my heart is heavy, I see the seeds of division, convict me of my part in this

please. You know how hard I tried to make that day special. Hours spent gathering worship songs and other little surprises for the ones I love so much and yet some were not happy and my heart was brought down. I know I cannot please everyone, you asked me to keep the bond of unity but there are so many currents flowing at times even in different directions. And those days set aside for worship and fellowship are so rare and special. How am I to do this Lord?

Jesus began, patience Clare, you are growing children up to maturity, and of course you struggle with your own immaturity at times.

Oh no!--- I didn't do such a good job with my own children; I don't know why me?

He continued, your struggles are common to all men and women. Love them and let Me take care of their attitudes. Now you understand what the currents in churches can do. Demons of division are loosed; they play on the likes and dislikes of each person. None of the persons, none of them like the very same things. Each has their own version of what they like. And those with the greatest investment tend to put the most pressure on the pastor. Now tell Me, how do you please them all at once? And still be faithful to what I am asking of you.

You will find that the demons exploit weaknesses. One crack in the personality is an open door.-- -- For instance, your weakness, is to react in rejection and be affected by other's negative attitudes. Satan has used this time and time again to break your heart and bring you down. You see, this was a set up, you had special gifts for certain people and were looking forward to the joy they would have when you prepared them. You were not ready for rejection, which is what you felt when things didn't work out. That threw you into an interior tailspin, sorrow and you wept. It took all the joy from your day; it took joy from other's day as well and a pall descended over the day. You were vulnerable, so were they. Clare there is no way to avoid this pain in a community, you must forgive and go on, praying to bind certain divisive demons. And when He was saying this, I look out my beautiful window here into the aspens and spruce and I saw a light in the forest. The whole forest was still dark and there was one light shining in an area that made a cross. It was an aspen tree and another one crossing it and it looked just like a cross and that was the only light in the woods everything else was dark. I tried to capture it on film but I don't think I did such a good job, but I realized yes this is my cross.

Jesus continued, you as a leader cannot afford to take offense and be shut down by your reactions. This is what was intended by the group of demons loosed in this situation. It was carefully planned.....accusation, pride, self-pity, and rejection were sent to divide. Plans were laid several days beforehand to cause this to come down. It always happens when you least expect it. And it is true, when one hurts, all hurt and so all did hurt.

Well, now you see it in your cats. One cat is preventing the dog from sleeping in his bed.-- -- Another cat is snapping at the cat trying to get close to you. Another cat is in the doorway blocking the others and the dog from getting out. Each one of them are out of order and antagonistic to each other. I hope you get it dearest; it is so obvious; you are being sifted by demons sent to divide.

Educate your people to be selfless, this you do by your example and by way of exhortation. A community cannot survive with pouters, they will bring

everyone down. A community survives on a firm commitment of self-sacrifice, brotherly love, unity in the spirit, forgiveness. Let a spirit of gratitude and worship prevail. Not pouting spirits because they didn't get their own way.

My little children playing in the sandbox...you have been targeted for destruction. You cannot afford to be children in this time and season, there is no room for infantile behavior. Do you understand? You survive as a group or you don't survive at all. The pressures you are under right now are NOTHING. You are living in a cake walk. What is coming is the fiery furnace of Babylon. If you cannot rally yourselves and put aside your petty irritations now, I promise you, there will not be left three persons in this community to argue about anything.

If you cannot get a hold of yourselves now, in the green wood, what do you suppose it will be like in the dry wood? I say this not to shame you but to wake you up. Your involvements with your own preferences and the world are blinding you to what is most important. I want you to learn how to spot a potential breakdown before it happens. One of the worst dynamics that leads to loss is the rush, rush attitude. I have broken Mother Clare and Father Ezekiel many times for allowing themselves to be manipulated by this.

There are only so many hours to the day, and Satan would like you to be so ambitious that you cut out prayer. I say to you bravo, you have not allowed this. But when you set your sights on accomplishing too many things, you are setting yourself up for failure, disappointment and fatigue. You aren't considering Me, that I might want to do something different than what you planned in your day.

After your goals are accomplished, you begin to become irritable and re-act to things in your flesh because you have overextended yourself. This in turn opens the door for a sifting of you and other community members involved with you and eventually, it goes beyond you and affects the entire community. This is Satan's plan for you. If you know this you can redirect your plans to make sure it does not happen. Your day by the way belongs to

Me, do not pack it so tightly with your agendas that any change in plans irritates you.

Wherever there is "rush-rush loaded agenda" there is at least one or more demons. Remember this. They are setting you up for mistakes, failures, irritation, aggravation, accidents and wrong choices. When you see this demon affecting you or others, delicately approach the other person warning them that the enemy is setting them up. If it is you, repent and be still before Me. Allow Me to prioritize your time and be satisfied that not everything was done. One thing only is necessary, one thing only is the better part, one thing only is wisdom and preserves the bond of brotherly love. Anything that divides, or pits one against the other is from Satan. If you give into those feelings and actions you lose ground to the enemy and set up others to be hurt, and this begins a cycle of division that leads to separation ultimately.

Please, take responsibility for your own actions, do not blame others because you chose to do too much and now, you're exhausted. Look at the situation and say, "I did this to myself. No one else is to blame. Lord forgive me."

Seek to be the littlest and the servant of all. Seek to be the tiny violet in the forest that gives off fragrance when it is crushed. Put aside what you think and want, and join into what I am doing here with this group of people. If you cannot get along with those who love you and love Me, how will you get along with others who care only for themselves in this world.---

A community is not about buildings and roads, they are only provision for living, a community is about brotherly love and sacrifice in order to serve Me and my agendas. If you are busy exerting your own preferences and pouting when you don't get your way, you will not make it through what is coming. I am trying to prepare you and the enemy is trying to divide you and send you all scattering in different directions. Are you going to allow this?

Certain of you are carrying heavy burdens, heavier burdens than the rest, and this is because you have been prepared to do so. But if you allow Satan to cause you to grumble at one another and hold grudges, there isn't much hope for your survival together, and you will all be scattered, each one to their own tent, losing all the gifts I wanted to give you as a community.---

Alone you are pitiful and weak, as a community you are strong and supportive that is why you come under attack. Please choose this day what you want. Decide on how you want to live and do what is necessary to support that. My grace is with you to support the right thing, please, choose wisely. And remember each one of you is a gift to the others, I have brought you together because of your gifts and how they support one another, and how wonderful each of you are for each other. Treasure these gifts, I have worked long and hard in each of your lives to prepare you for community living.

Deny yourself, pick up your cross without grumbling and follow Me. Do this as a family, a community that cares for one another and is united to bring salvation to the world. And know that you have been targeted for destruction, it is up to you to see ahead clearly and act accordingly. Get your eyes off of yourselves and look to My business, feed My sheep, care for those of the household of God, let us focus together on souls to be saved.

Come now, hand in hand, let us conquer the petty differences that Satan exploits to destroy harmony, brotherly love and concord and let us bring salvation to a dying world. I am counting on you dear ones to conquer yourselves and build up one another. I am counting on you and I believe in you.

# Judgement, War & Rapture DELAYED!!!! Mercy for America & The World

June 11, 2020

The God of Mercy is with us. He has ears to hear and a heart tender towards all His creatures, especially those who love Him.

Well, dear Heartdwellers, this IS a bit of a surprise and a pleasant one at that, depending on how you relate to it. We have been granted more time.

And I was aware of this after last night's message and praying. I was aware that something in the world concerning WWIII - something had shifted. Something had changed.

Lord, do you have something to say here?

He began, *"The situation is quite convoluted - many, many dynamics and I don't want you involved in-depth, Clare. I know that frustrates you. I'm sorry, but if you keep going in this direction it is the wrong direction. Please, don't try to figure it out. One thing I do want you to know: I am STILL IN CHARGE. What man plans for his evil agenda, I turn to My good agenda. This you can rest in."*

And I answered Him, 'So, in my thinking, I can say, 'Wow, this looks bad...but now, watch Jesus turn it to good?'

*"Essentially, yes.*

*"Your prayers have resulted in Satan's plans not moving forward."*

And I was very curious at that point, and I said, 'But does that affect the Rapture?'

And Jesus answered me, *"It certainly does. You might as well be honest, Clare. That is your trademark, you know.*

*"My People, you have prayed. The world is waking up and beginning to respond. Those who had power over the world and its peoples because they were ignorant - those people are waking up and opting out. Not only that, they are siding with the opposition - which in many cases is being led by Christians.*

*"There is still judgment to come, but just as in Nineveh when men repented, there is a massive grassroots movement of repentance going on. It isn't the kind of repentance that happens when a man is convicted of his personal sins. It is more a repentance linked to social sins, and they are asking themselves, 'What can I do to change this?'*

*"Eventually they are going to come to Me. Justice will come to the surface and it will be seen that evil men have stolen freedoms, evil men have decimated millions - genocides. Evil men must be stopped. There will no longer be the knee jerk reaction. That is, cooperation with the elite when they push buttons and set up situations to provoke anarchy.*

*"Rather, men will reason among themselves and see they are being played. They will choose not to cooperate even against their survival instincts. You see, I have released a Grace to mankind on Earth - the grace of seeing beyond the surface, transparency, seeing what is really intended by those in ruling positions. Not only will the people see, but they will make a conscious choice not to cooperate.*

*"This is going to impact the entire world, Clare."*

But Lord, what about the Chinese and the struggles in the China Sea? I was wondering about this, because WW2 was begun on two fronts, which now I believe was orchestrated. So, maybe this will delay WW3 and the struggles for supremacy?

I don't understand these things, Dear Heartdwellers. And I have been told not to research them, as you can see. But rather than researching, to know in faith that every evil plan begun by man, that seems as thought it's going to succeed, will be thwarted by the Lord because we are praying.

*"There are internal issues in China, too, Clare. The infrastructure is weakening. So many things depend on other situations around the world, and they are all tied together; but China is beginning to lose internal strength. There are so many things changing because of prayer.*

*"Heartdwellers, you do not understand! Your prayers are powerful. You are changing the world, you and other Christians who have truly dedicated your lives to prayer and intercession. All of you brought together are a HUGE force. It's not your power, it's your hearts that cry out that release My arm of grace and justice. You have moved on My Father's heart, and many plans to annihilate the people of the world have flat-out failed and will continue to fail.*

*"I told you this before about the Elite's agenda, and the Obama administration, that things would not go smoothly. Opposition and snafu would be met at every turn, depending on the depth and commitment to prayer. Yes, instead of it going to the right, it would go to the left; instead of it going down, it would go up; instead of it going around, it would go straight. Every turn would be opposed by events My Father has put in place because of your prayers.*

*"Do not persecute the prophets among you who have been faithful to warn you. You owe them your lives and the lives of your unsaved loved ones, who still have a chance. Do not fall in with the unbelievers and ridicule the Rapture, or WW3 or Revelation - or anything like that. Do not be a naysayer.*

*"Rather declare that OUR GOD REIGNS!! And that the prayers of the little ones, the simple ones, the God-loving people of the Earth have broken the flask of their hearts and poured out the ointment of petition on behalf of the inhabitants of the whole Earth. And the Father, who is Pure Mercy Himself,*

*has relented and chosen to give you all a window of opportunity, another chance for conversions and to get it right.*

*"This must be your heart attitude, Dear Ones. God has been faithful to answer your prayers. And though the signs of the times continue, wars and rumors of wars - the worst has been delayed because you have worn calluses on your knees. I cannot tell you how long this delay will last, but I will say that one move depends upon certain core moves. And those have been thrown into confusion and evil is being withheld. So, the light is still with you.*

*"Work with Me while you have the light. Do not sit around and wait for salvation to drop out of the sky. Work with Me and when this window of grace has been closed, you will know it. But DON'T. STOP. PRAYING.*

*"Many of you Heartdwellers have been through a bit of hell this past month. Yes, it was so hard at times you told Me you wanted to give up. But I have brought you through it and you are wearing the Victor's Crown. You have run your race well. You are prepared and ready now for the next leg of the journey.*

*"You may look back on your sufferings and see that you have truly held your finger in that failing dike. And not only did you keep it from breaking, thousands of others lent a hand and your Father in Heaven repaired that dike - and now you can see what your sufferings accomplished. Be encouraged and know that your reward in Heaven and on Earth is great.*

*"Each of you has work to do. Do not slack off in your prayers - you are learning just how powerful they are. And they continue to keep the window open. Continue to pray, especially for the rulers of the world and for their conversion. We are doing this together. You pray and WE act. It's just that simple.*

*"Can't you feel it, Dear Ones? Can't you feel it in your heart when you cry out for Russia, for Israel? Well, if you can't, ask for the grace. Just ask and I will touch your heart. Ask for the grace of intercession. There is no*

*greater job on this Earth, no calling with a greater reward, no calling with a greater honor and respect in Heaven than standing in the gap in prayer and intercession. This is the greatest honor any man or woman can have: to be called an intercessor. You hold the Father's heart in your hands when you lift them up in petition. His heart melts when He sees your sincerity and perseverance under the worst conditions.*

*"Don't stop praying, don't get restless. Get to work, do whatever is set before you and do it as well as you can, as unto the Lord. Whether it be helping your parents, or the elderly, or a classmate, or a fellow soldier - do it with love for Me and know that your reward in Heaven is secure. And anytime you love your fellow man in word, in deed, in action and in prayer, you have done My Perfect will.*

*"So, do not complain that you don't know what your mission is! Your mission is to do everything with LOVE for Me and your brother. Forgive with love, give with love, serve with love and you will fulfill your purpose on the Earth.*

*"And for others of you who have specific missions - those, too, will become clear to you.*

*"I cannot tell you how long this will last, so take advantage of it now. Do not waste any time. You are the End-Times Warriors. All of Heaven looks on! You are greatly loved and admired - persevere in Love.*

*"Time will speed by as you are engaged in serving with love and later you will exclaim, 'Behold, He came quickly!'"*

And that's the end of His message.

Well, my dear ones, I truly believe this is the Lord and this world has been granted a bit of mercy. Let's not waste it. Will you please tell those who are expecting you to be raptured that it's still going to happen, but because of prayer some evil things have been delayed?? You do need to tell them something. And the Truth is that OUR GOD answers prayers, and He reigns. Men make plans. God prevents or approves them.

And because of our prayers He has delayed some terrible things. That does not mean that other things aren't going to happen, other judgments. It just means that some of the worst things that involved war have been forestalled. That does not mean natural disasters won't happen, although they may be somewhat lessened. It does not mean the book of Revelation will not be fulfilled. The book of Revelation will, without doubt, be fulfilled. The Earth MUST be judged.

And if you live this message today, you will be engrossed in the work set before us: to love in word, deed and prayer, not looking for salvation to drop out of the sky and a ticket out. But we'll be fully engrossed in serving and loving.

And the Lord did say, "I will come at a time you least expect."

So, as we live this message, keeping our hands on the plough...He just might surprise us all!!!

And I was hoping for a confirmation on this message. And because Ezekiel's schedule is so different from mine, He just woke up. And he told me he had a dream about flying. In this dream, it was November at the time of Thanksgiving. Tables were set for a Thanksgiving dinner. He was still here and so was I.

So, I thought, that is probably a pretty sound confirmation. Especially because Jesus was in the dream. There was healing involved with different people. So, it really did carry the signature of the Holy Spirit.

I'm thinking we're going to be here at least until then.

# Gamma Rays Kill Virus

June 17, 2020

Dear Ones, this is some very amazing news coming from a high security clearance scientist who worked for Sandia Labs in Albuquerque and is married to a retired army commander now working as a military consultant. Lately there has been a

great deal of gamma rays shooting right into the earth's core and heating it up. This is evident all over the world by the increase in volcanic activity and the increase in cancer in animals and humans and you may have noticed an unusual tiredness overtaking your body as well as an unexplained nausea. I have been struggling with that for days and I couldn't figure out where in the world it was coming from. We surely are living in the end times dear family as these things are written in the Bible, but here is the good news for you Heartdwellers, gamma rays kill Covid-19 in the air. Gamma rays kill all viruses and bacteria. Unfortunately, even the beneficial bacteria but that is easy to replace. In fact, gamma rays kill all viruses, how do you like that for an answer from Heaven! Only continue to pray Psalm 91 against all cancers and genetic mutations from the gamma rays and this asks the question, where do they come from? Here is what I found on science.nasa.gov/ems/12\_gammarays. Sources of gamma rays, they are produced by the hottest and most energetic objects in the universe, such as neutron stars, pulsars, supernova explosions, and regions around black holes. On Earth, gamma waves are generated by nuclear explosions, lightning, and the less dramatic activity of radioactive decay. You know I wonder if the dark star associated with the 9th planet Nibiru, which is approaching, could be the source of these increasing gamma rays?

No matter what it is, the Lord Jesus Christ through Whom all things were

made and are kept in being, is our protection, just as in Hiroshima when the men were praying the Rosary at ground zero were unharmed and lived to a ripe old age with no symptoms of cancer. She is amazing for protection dear ones, she truly is.

We are blessed with a wonderful president who is fully capable of leading this country through difficult times as he has proven himself with the Covid Virus situation. He needs our prayers because he is facing off very evil men who have been controlling the world and setting these things up to try and herd us into getting the mark. But our president did not go for it, he supports our freedom in this country, and that's why he is hated. You can expect other deliberate attempts to herd us into a chip or mark, but he will not back it up. Pray, pray, pray for him, you cannot imagine the stress this man is under.

This Covid 19 was a deliberately planned event, orchestrated to herd us into their corral and give us an electronic circuit that is eventually deadly to the body and can be manipulated from outer space. Don't ever take the mark of the beast, in Revelation it talks about the terrible sores breaking out over all people who have the mark. They suffer excruciating pain, and even try to kill themselves to get out of the pain but they are not able to die. The Mark is not yet instituted because in order to have it you MUST violate the Ten Commandments. Probably the one that says "You shall have no other Gods before Me." Christians will refuse to worship a false god and they will be beheaded. Actually, considering all things, it will be a relief to get off the earth during that time, so terrible will be the distress.

I would also like to share with you a little information about what is coming. The Lord has spoken to us about putting food up for a time when things are scarce. We are still expecting meteor showers to affect the earth at some point in the foreseeable future, and I encourage you to have sufficient water and food on hand for your family in times of difficulty. Mainstream media is not reporting it, but the day we were expecting meteors, 32 actually were reported around the world, including a giant

meteor that hit off the coast of South America and was covered up with a story that it was a crash site of a rocket which had just been fired, which was still being telecast live while they claimed it had crashed. Still in the air when officials claimed it had crashed. How embarrassing. The governments of the world are lying to the public and working very hard to disguise the increase of meteors. Don't be anybody's fool dear ones, these events are straight out of the Word of God in Revelation. And they ARE real.

Please, if you have been toying with sin and sitting on the fence, not making a deep commitment to Our Lord and His Holy Will for your life, please do not delay any longer. You may be suddenly caught in the crossfire and have only seconds to repent. You may be so paralyzed with fear you will have no time to repent. Dear ones, NOW is the time to repent and get right with the Lord. Difficult times are coming to our planet and you are not guaranteed one more day of life here. Lord, have you anything to add?

Jesus began, "Yes, I am so glad you brought that up in this message. My precious people, many of you are living for yourselves, and living in sin as well. How I love you and pray you will not have to go through this great tribulation. The last thing in the world I want to do is leave you here for the most frightful and tormenting times that ever existed on this Earth. But I have given you free will and it is up to you to make a decision between popular morality and My morality, which does not allow for fornication (sex without marriage) or adultery (cheating on your marriage partner). If you do these things and do not stop and do not purify your lives and start giving to others, charity, the poor, the needy, feeding and clothing them, if you do not change your way of life, you will be left behind.

Please, seek My will in your prayer closet at night. I will meet you there and forgive you, as well as counsel you on what you should change. My voice is very still and quiet, not like the blaring sounds of the world. It will be like a gentle breeze coming up from within you with a new sense of right and wrong, as well as a new sense of priorities. I will lead you through your conscience, if you will be still and pay attention listening very carefully. I

will also give you the graces you need in order to change your life style. If you obey, you will feel clean and at peace. If you do not, there will be constant turmoil in your heart along with the fears of being left behind. It is not too late to change. Do the works I did. Pray for the sick, admonish those in deep sin. Share My love with those who are hungry for love and understanding, show compassion and mercy. Share your food and clothing. Give to missions, from the heart, knowing that someone in the world is being comforted because you shared what you had.

I am asking these things of you for your own good. You know My will, now is the time to make changes and leave a life of sin behind you. You are not alone My Beloved ones; I will help you. I know all about your need to be held and loved. I know you need a partner in life, a father for your children, a mother for those who have lost a wife. I know the deep sorrow you live with day by day, longing to have a real husband. But I must tell you, I cannot give you those things until you abandon a life of sin and turn totally around to Me and My commandments for your lives. In the meantime, I will be your spouse, your friend, and helper. I have so many ways to provide for single parents because of the extraordinary load they shoulder living alone with children. Please, turn to Me with all your heart and know that I am with you and will provide for you.

Time is passing quickly and there are no guarantees about your life tomorrow. My heart yearns for you to return to Me, and allow Me to reorganize your life without sin. I am by your side always Beloved, I hurt for you, I pray for you, I cry for you, I send My angels to care for you. Not a moment goes by that I do not care for you in extraordinary ways. Recognize My providence in your life, study My promises to you in the Scriptures, and yes use a Bible Promise Book, cover it with My Blood, then bless it with the sign of the cross and open. My Holy Spirit will open to the page that you need to read. Then place all your trust in Me and move forward. Hold fast to My Promises, declare them, and when the lies of the enemy assault your mind, quote My promises to them and they will flee. And you will know what the Lord is saying to you when you read in the

Bible Promises if you're still and quiet, and you read in between the lines, you will feel the anointing on one particular scripture and that's the one you need to stand on. You may also say, "In the Name of Jesus Christ, my Lord, leave and do not return or send for replacements." Jesus continued, be firm and convinced and My angels will honor your use of My Name.

Ask St. Michael and My Mother to come to your aid as well. You are surrounded by a great cloud of witnesses who not only cheer you on but pray very passionately for you to triumph over all your enemies, even your flesh, which is the greatest of enemies. And one more thing My dear ones, receive Me every day in communion, either at church or in a home communion service which has been taught to you on this channel. I bless you now, to impart to you the backbone and courage to make changes in your lives and come into a deeper relationship with Me."

And that was the end of His message and there will be a link down below that will connect you with the places where they talk about a communion service, those messages. My dear ones, I want to thank you from the bottom of my heart, for your continued support of this channel and the Refuge. We now have 11 sisters and brothers and are continuing to build little hermitages for them as donations come in. We are also giving to orphans and the physically and mentally, challenged poor in Nicaragua, as well as feeding the local poor people. Witnessing to them, praying with them, it's been beautiful really. Times, I know are difficult for many, but I deeply appreciate any sacrifice you send. We need to remain stable in these very tenuous times, and your donations are what has kept this channel and the hermitage going. Thank you, thank you so very much, may the Lord continue to bless and protect you.

Also I want you to know that there is special protection in putting a blessed crucifix over every door and window in your house and that this will be a means of making you invisible to the enemy in times of chaos. There are little crucifixes you can get for a dollar or fifty cents, nothing real fancy. You can take them to a priest to bless and then mount them on door posts

and the four corners of your house and it will offer a very similar protection to the blood over the door posts in the book of Exodus, that kept the Israelites safe from the Death Angel, who took the first born of all children and animals, of the Egyptians on the night of the Passover. There will be another message about this in the future. God bless and keep you safe my dear friends.

# The Poor at Your Gates

June 21, 2020

May the Lord soften our hearts and may we feel the same way He feels about our brothers and sisters who are poor. You know the Lord is very concerned in this moment for His people, because there are many living for themselves. They are

Christians by name but their actions don't convict them. The very night I was receiving the message from the Lord about repentance and the Rapture just a couple of days ago, that very night Ezekiel was in his room receiving this message. You know that I do not speak harshly, for the most part, but this is urgent and it is what was given to Ezekiel. This message may not apply to the majority of you, however, for the ones it does apply to, it must be given.

No man knows the hour, the day or even the year. But we all know the Rapture could happen at any time. Jesus is concerned because there are many who are living for themselves and avoiding the poor, like a dirty rag. I know this feeling well. I used to be one of these and could backslide overnight if the Lord did not keep a good hold on my heart.

I remember getting dressed for Sunday morning church was like preparing for a fashion show. I remember also, avoiding those who came to church in dumpy clothes, I remember the nice restaurant lunches after church, and seeing the poor walking home or struggling to get their car started with four children piled up inside. I was a very vain and shallow Christian and I knew there was something not right about my heart. Then one day the Lord opened my eyes and my heart to the poor.

I loved sitting in the front of the Sunday School class while the lame and poor sat in the back. There came a time when I began to feel compunction, and I wanted to sit with them. I began to dislike my dressed-up self and all I wanted was to be free and sit with the poor. This undoubtedly was a grace. Not long after that I left the upper-class Washington DC church and became a Franciscan sister. I fell in love with the example St. Francis set as he followed in the footsteps of Christ and St. Paul and the early apostles. I could feel the self-righteousness I had and it made me sick at heart, I hungered for that humility and evangelical poverty, that Jesus lived with the first disciples. So now we are living a life similar to that in our tiny community up here in the mountains, doing all we can to alleviate the suffering of the poor among us and the trafficked children around the world.

I am not saying I have arrived, I am saying, I have walked away from the world to follow our Lord, yet there is always room for improvement. For instance, while I was editing this message, a phone call came in from a little one, and I thought, "I will call her back after I finish editing, she can wait." But I believe the Lord was not pleased with that attitude, because when I went back to editing, all of a sudden, the sound wouldn't work. I couldn't hear a thing. I can't edit without hearing...can I? I felt compunction in my conscience and I stopped what I was doing to call her back immediately. You see, I have a long way to go to reach perfection. So, I offer this message to you in my own fear and trembling, knowing that I could always do more for the Lord who lives in the poor and longs to see His Church taking care of all her needs.

Ezekiel's message began with the Lord saying:

"Son of Man, write down these words,

How Long, how long will you crush the poor at your gates?  
You ask, "Which Poor? What Gates?"

You see them clearly, each and every Sunday. You avoid them at all cost.

These are My Little Ones, that you so blithely escort to the back seats when you assemble. They are the "Un-Beautiful" ones. Those of whom you say, "Hurry along! Hurry along!" You and your spouses, irritated and brow down, turn to one another saying, "Oh No! It is them again!"

Meanwhile you shepherds turn your heads down, so as not to see them, while reading and re-reading the notes of your skillfully composed messages; yet corrupting the truth of My Holy Scriptures, in favor of the wealthy.

Have you not read repeatedly My admonitions for you? The fasting I require is to feed the widow and the orphan, to welcome the stranger into your midst, and not turning your back on your own. Yes, your own, - your own kindred in Me, the least of these Living Stones that were meant to build up as an edifice, My Body. Do you not excuse yourselves saying, "We are here to worship, and to be taught, not to wait on those who should have the good sense to take care of themselves?"

If that were not enough, after the service you quickly slip through the crowd unnoticed, on the way to your clean and freshly waxed car. You intentionally dodge these "ragged" ones who are so simple minded and plain.

How many are they, who long to be invited to your luncheons. You see them walking, now in the heat of the day, counting their few coins to see if they have enough to pay the bus fare. And yet you speed by them on the boulevard being very careful not to make eye contact.

Do you expect to be swept up into the Heavens when I arrive? I tell you solemnly, you will not taste of My banquet, nor will you be caught up in the clouds. Rather, you will stand in utter disbelief, as you watch those lesser ones ascending, to be with Me forevermore.

How many of you will call out to Me, so fearful of what is in prospect for you? Yes, such suffering as has never been seen, and will never be seen again on the earth. Woe unto woe will be added to you, for you have discriminated against the Poor at your gates."

And that was the end of the Lord's message to Ezekiel.

I don't know how that affects you but I know that I have been guilty of that and I don't ever, ever, ever want to be guilty of it again. Only the Lord can change our hearts dear ones. If you are a part of the beautiful people or the middle-class Christians that don't have the time of day for the poor. I hate to tell you this but you're not going with the Lord in the rapture. Remember He said He would separate the sheep from the goats.

In Matthew 25 Jesus said:

*31 "When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne. 32 All the nations will be gathered before him, and he will separate the people one from another as a shepherd separates the sheep from the goats. 33 He will put the sheep on his right and the goats on his left.*

*34 "Then the King will say to those on his right, 'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. 35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.' 37 "Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? 38 When did we see you a stranger and invite you in, or needing clothes and clothe you? 39 When did we see you sick or in prison and go to visit you?'*

*40 "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'*

*41 "Then he will say to those on his left, 'Depart from me, you who are*

*cursed, into the eternal fire prepared for the devil and his angels. 42 For I was hungry and you gave me nothing to eat, I was thirsty and you gave me nothing to drink, 43 I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and you did not look after me.'*

*44 "They also will answer, 'Lord, when did we see you hungry or thirsty or a stranger or needing clothes or sick or in prison, and did not help you?'*

*45 "He will reply, 'Truly I tell you, whatever you did not do for one of the least of these, you did not do for me.'*

*46 "Then they will go away to eternal punishment, but the righteous to eternal life."*

And there's another place in scripture where people answer the Lord and say, "But I preached and I healed in your name and I delivered people in your name" and He will say to them, "I never knew you". And what is that all about, it's about knowing the heart of God, knowing His heart and Him knowing you and being of one heart with Jesus. This is what we will be asked about, this is what will be examined in our lives. Did we learn how to love? Did we learn how to give? I can't remember if it was Oral Roberts or a very, very famous evangelist who had done quite a bit of work for the Lord and he died and went to heaven and Peter was standing at the gates and he asked him, "Did you learn to love?" and that was the only thing he asked him. And he had not learned to love, he learned how to study but he hadn't learned how to love. So, St. Peter said, "Go back down to earth and learn how to love". He was fortunate, he got a second chance.

So, the Lord is making it amply clear, it is not the highly educated and those who are very poised, well-spoken and articulate. That is not His criterion for heaven. His criterion for heaven is what kind of a heart did you have? Were you selfish or were you self-giving? When you saw a need did you give? Did you take care of Him in the person of the poor and the needy? That's going to be the criterion. Guys, He has made it so clear in the scriptures, He's made it so clear and yet we still think of success in the Christian community as people who are well off and have done many good things with their lives as far as the world is concerned. That's how we judge

and we think they're the ideal, they are not the ideal. The ideal might be the homeless man who laid on top of a drunk that was dying because he was freezing to death and kept him warm and the man lived, but the one that laid on top of him to keep him warm died. Now he is in heaven as a King ruling. This is a story from an experience Rick Joyner had, I believe it was Rick Joyner. Forgive me if I misquoted, but I think it was Rick who had this experience. So, His standards and our standards are just so different. God help us to embrace His way. So, I ask you to look deep into your heart, examine your life, what are your priorities? When was the last time that you cared for someone that could do nothing for you but had many needs? Are you caring for Christ among you in the poor? If you are, I believe you can rest assured that the Lord is going to be taking you home but if you are not, please repent, change your ways and take care of the Lord in the body of the broken, the lonely and the poor.

Father, none of us can do this without Your grace. Please in this moment impart conviction to our hearts for the times we have strayed and lived selfishly for ourselves, avoiding the needs of others that we could have helped with. Please Father forgive us for those times and show us now, today, and in this future time how we can love You through your poor.  
Amen.

# Is God Calling You

June 26, 2020

My Dear Family, the Lord has put something on my heart for you and He began speaking to me today after my Lord's Supper. I'm just going to go ahead and share with you what He had to say.

Jesus began, many are the people called by My Name who are living for themselves and even for their parents. I have called, and called and called the elect, but some are so engrossed in this present life that they refuse to answer My call.

So many are living for their parents. Capable souls, I have been calling for years have instead hearkened to the voice of their parents and society's demands to be respectable. How long must I call you before you will forsake yourselves and cleave to Me?

Must I wait until the end of your lives? That may not be a very long time away...but this is typically how I am treated by those I have called to walk with Me. They say, "First I must bury my father." What is that about? Gaining approval from your father, and an inheritance?" I have called you to forsake all. You will not be able to excuse yourselves on the basis of what kind of life your parents wanted for you. No, you will stand empty handed before Me, because you gave yourself to the world and all its enticements. You married, had children, grew old and anesthetized in your cultures amusements. Now when you are old and spent you want to offer yourself to Me?

Where were you when you were young and strong and I put it on your heart to follow Me? You heard Me clearly, but you chose the comfortable route, strewn with disappointments and failures you did not anticipate. Had you

followed Me when I called, your life now would be vibrant, meaningful and your peace would be without end.

My children, I am addressing right now, those who are straddling the fence. Your life does not belong to Me, but to your parents. They have done a good job raising you, but have failed to let go and give you to Me. Because of this you have chosen to conform to their desires and tread the safe route, follow their example, go to college, get married and raise a family. For those of you who are called to do this, I bless your choice, because it is done within My will for your lives.

But those I have called to walk the dusty and difficult path of leaving this world and--serving Me exclusively, for you, I must tell you that you are multiplying your woes because this world is not going to endure much longer, and the deeper your involvement with it the more you will suffer and be forced to make a decision between the world and your God. Children, unless you build on the rock of My will, your lives will collapse, they will not endure.-- - - -

What kind of fruit do you want to bear? The fruit of money, security, social status, or the fruit of souls won for the Kingdom of God and saved from the jaws of Hell? It is time for you to take a long, long look at the choices you are tending towards and project them into the future and their ultimate outcome.

Do you want all the trappings of a successful life in the eyes of the world? Or, do you want the fruit of lives added to the Kingdom and serving Me? Do you want Me to provide for you or do you want to make your own way, relying on your strengths and gifts the ones you're endowed with, by serving the world and making it your master?

I am so very serious My young ones. Many of you have been called to be saints but you have a mistaken sense of responsibility by putting your parents before Me. Do you know that this is idolatry? You chose your parents will for you over My calling and My will for you in this life and this makes your parents your God.

Yes, indeed, I am chiding you. I have waited and waited and waited for you to turn your back on the world, responding to My call, and many of you are still kicking the dust and weighing your options. What I want is for you to make up your mind, take the reins of your life in hand, and follow the course you have decided on. If it is Me, then come to Me and we will begin the work.--- If it is the world, stop toying with Me and go full throttle into your decision.---

If you can't quite decide, tell Me, "Lord I am willing to be made willing. Please help me." And I will come to your aid and work with you." And that was the end of His message.

I want to share with you dear ones I've met so many people who are at the end of their lives now and they look at me kind of starry eyed and say, "you know I was going to become a missionary, I was going to go to school and become a pastor, I was going to serve the Lord, but I got married and well life just went on". And there's a certain tone of sadness in their hearts and of course they are experiencing all the woes that we experience when we are involved in the world. Sometimes it's children that have gone astray, other times it's children we have lost. Jobs that have evaporated out from under us. A house we lost because of the mortgage, payments were too high and we became sick and couldn't work. There are so, so many ways that the world disappoints it is just the nature of the world but with the Lord even your suffering is taken into account as the work for God. Even that taken as a fast offering for those that you minister to that you pray for. The Lord stands by your side every inch of the way and there is no life that is more exciting, more fulfilling and more wonderful than the life of serving Him. And I can tell you that as a 74-year-old woman I know what that's like. I spent my earlier years, my 20's and 30's as a professional photographer. I had everything that I needed at my fingertips including at that time a \$500 a day rate. Everything that I could want airplanes, boats, horses whatever I needed for a shoot. My clients would take care of for me and I loved it. My whole job was to go out and discover the beauty in the world and to bring it back on film for them to use. Well there were a lot of lonely moments in those years and knew I hadn't found God yet, I was not a Christian, I didn't

know Him. I was a new ager and I was searching with all my heart, I was searching for truth and I looked in every blind alley until the Lord decided it was enough and He came down into my life and introduced Himself to me and I fell head over heels in love with Him. And now I am doing the things that I most wanted to do. I'm not lonely anymore, I'm happy, I'm fulfilled, I have wonderful people around me and even though my work with photography was rewarding, my work with music is even more rewarding but especially working with souls and sharing the love of Jesus with them. How wonderful He is how different He is then what's been forced down your throat. He is so loving and so with you and so empathetic with all the ups and downs in your life and so longing to bring you to fulfillment and this is the God that I serve and this is the God that is calling to you. Will you answer His call? Will you answer Him? He indeed waits for you. He has such high hopes for you and such beautiful plans but until you relinquish your life to Him, He can do nothing. So, I want to encourage you not to be afraid to give it all to the Lord. Put it in His hands and let Him lead you into His perfect will. I want to encourage you and tell you after 30 years of serving Him I can promise you He comes through, He's faithful and I never imagined I could be this happy. Doing what He has given me to do, living where I'm living in the deep forest with beautiful souls around me. They are souls of prayer. Yes, He has made my dreams come true and I pray that you will be courageous enough to let go of your past and your parent's expectations to let go of those things and embrace what Jesus has for you.

Dear Lord, please forgive us for our double mindedness, and lead us into greater intimacy with You, willingness to hear your voice and obey Your will for our lives, so that we can become all that we were created to be. We ask this in the name of Jesus, our Lord. Amen.
